DATASETS

- **Gender Stereotypes in Autocracies:** Series of conjoint and vignette experiments embedded in a nationally representative survey in Morocco (n=1800) to investigate the effect of gender stereotypes on citizens’ evaluations of female candidates and politicians. Data collected in collaboration with Carolyn Barnett (University of Arizona) and Alexandra Blackman (Cornell University).

- **Group Gender Composition and Legitimacy:** A three-country survey experiment conducted in Jordan (n=3200), Tunisia (n=1600), and Morocco (n=1600) to discern the effect of group gender composition on mass perceptions of decision legitimacy. Data collected in collaboration with Ellen Lust, Kristen Kao (University of Gothenburg), and Chagai Weiss (University of Wisconsin–Madison).
- **COVID-19 and Female Scholars’ Research Productivity:** An online survey conducted in June 2020 to measure the effect of the pandemic on scholars’ productivity in the U.S. and globally (n=250). Data collected in collaboration with Nermin Allam (Rutgers University) and Gail Buttorff (University of Houston).
- **The Governance and Elections in the Middle East Project (GEMEP):** A comprehensive dataset of legislative activities in Arab parliaments.
 - More than 40,000 parliamentary questions and bills translated and systematically coded.
 - Legislators’ profiles, affiliations in addition to other individual and district-level data.
- **Expert Survey Data on Political Parties’ Competition in 12 MENA countries:** Collected between April – August 2017 (n=230). Experts’ survey data on the ideological placement of political parties using context and country specific issue areas.
- **Drivers of Political Tolerance in Transitioning and Non-democracies:** Survey experiments conducted in Egypt in May 2016 (n=1600) and Tunisia in July 2017 (n=1800). Collected with Mazen Hassan (Cairo University).
- **Women Membership in Legislative Committees in Arab Parliaments:** An original dataset of committee appointments collected between October 2016 – February 2018 from five Arab legislatures: Algeria, Jordan, Kuwait, Morocco, and Tunisia (n=4580).
- **Corruption, Governance and Female Politicians:** Nationally representative surveys of adults collected from Lebanon in April 2015 (n=1200), Tunisia in July 2017 (n=1800) and Morocco in September 2017 (n=1200).
